

Materials List

Small canvas or canvas board

9x12 is a good size.

A Folding Easel

There will be tables available, so a table-top easel is okay.

Paint

You can get by with:

ultramarine blue
cadmium red light
cadmium yellow medium
titanium white

But it's nice to have also:

thalo blue
alizeran crimson
cadmium orange
sap green
green earth or anything similar
dioxazine purple
thalo green
burnt sienna
yellow ochre

Thinner

Turpenoid or Gamsol and a small container like a baby food jar

Oil Painting Medium

linseed oil, and a small container, or neo megilp (dries faster than linseed oil). It is a gel and doesn't need a container.

Brushes

Five or six flats and a round. You can use natural bristle or synthetic, be sure they are stiff, not soft.

Palette

Any palette is fine as long as it's relatively large. 12x16 is a good size.

Other Things

a piece of chalk or charcoal
palette knife
paper towels or rags
trash bag
sun hat
latex gloves or Vaseline to protect your hands
camera (or phone)
sketchbook and pen or pencil
